SUPPLEMENTAL INFORMATION DISCLOSURE
STATEMENT UNDER 37 C.F.R. §1.56

Assistant Commissioner for Patents
Washington, D.C. 20231

Sir:

In accordance with the continuing duty of disclosure imposed by 37 C.F.R. §1.56 to inform the Patent and Trademark Office of all references coming to the attention of each individual associated with the filing or prosecution of the subject application, which are or may be material to the patentability of any claim of the application, Attorneys for Applicants hereby direct the Examiner's attention to references GW, GX, and GY listed on the attached revised form PTO-1449. Copies of the references GW, GX, and GY are enclosed. Also enclosed is a copy of the International Search Report for the PCT application that is a counterpart to the above-identified application, on which references GW, GX, and GY are cited.

Identification of the listed references is not to be construed an admission of the Applicants or Attorneys for Applicants that such references are available as "prior art" against the subject application. Consequently, Applicants respectfully decline to use form PTO-1449, since this form identifies all of the references cited therein as "Prior Art." As an alternative,

Applicants submit herewith one page of a "revised form PTO 1449" entitled "List of References Cited".

Applicants respectfully request that the Examiner review the foregoing references and that the references be made of record in the file history of the application.

It is hereby stated that each item of information contained in this Supplemental Information Disclosure Statement was cited in a communication from a foreign patent office in a counterpart foreign application not more than three months prior to the filing of this Supplemental Information Disclosure Statement. Pursuant to 37 C.F.R. § 1.97(c)(1), it is estimated that no fee is due with this submission. However, if the Patent and Trademark Office determines that a fee is due, please charge the required fee to Pennie & Edmonds LLP Deposit Account No. 16-1150.

Respectfully submitted,

Date June 30, 2000
